

Bricklayers & Allied Craftworkers 4INKY

Apprenticeship is committed to developing highly skilled bricklayers. **BAC 4INKY Apprenticeship** consists of educational & **PAID**-training experiences as well as class & shop-time instruction.

What do I need to do to become an apprentice?

1. **Apply:** @ bricktraining4inky.org
2. **Hands-On Experience:** This half-day experience typically takes place at your local training center in Spring &/or Summer. Here, you are given the opportunity to prove basic knowledge of measurement, follow instructions, & meet with some of *-the best hands in the business.*
3. **Pre-Apprenticeship Training:** This is an 8-week training course to prepare apprentices for paid-apprenticeship work in the field. Pre-apprentices are paid a weekly wage; tools & materials provided.
4. **Apprenticeship:** Once successfully completing your pre-apprenticeship 8-week training, your PAID-apprenticeship begins. This is paid, field-training. As an apprentice, you will become a union member. Following eligibility, union benefits are available; insurance, retirement, etc...

Each year of BAC 4INKY Apprenticeship advancement, there are **TWO WAGE-INCREASES** (per training hours/every six months)

Apprenticeship field-training & class-time contribute to completing an  **IVYTECH** associate degree.
